WARNING

Never use pure black (#000). Always use Navy Deep #0C1226 for the darkest tones.

SIGNATURE PATTERN

Every numbered moment uses this exact triplet.

01

SERVICE EXPERTS

A single dedicated expert from first contact through project completion — no handoffs.

01 NUMBER

GOLD BAR + TITLE + SUPPORTING COPY

Use this exact pattern in pillars (01–05), process steps (01–10), form fields, and founder quotes. Consistency builds recognition.

FIVE COLOR RULES

01 HIERARCHY

Display (Montserrat 900) → Eyebrow (caps gold) → Subhead (Cormorant italic) → Body (Inter)

02 ZERO BLACK

Never use #000. Always use Navy Deep #0C1226 for darkest tones.

03 GOLD = ACCENT

Used as fill on CTAs, eyebrows, stat chips, and key highlights. Sparingly but powerfully.

04 PURPLE = PHONE

Royal purple is ONLY used for phone / contact buttons. Never for other CTAs.

05 WINE = GUARANTEE

Wine is ONLY used for premium guarantee moments (warranty section).

BUTTONS & SPACING

Three button variants. One geometric language.

ANIMATION RULES

Cinematic, restrained, premium. Never frantic.

EASING CURVE

cubic-bezier(0.16, 1, 0.3, 1)

The premium ease-out. Starts fast, settles smooth. Use for every transition.

REVEAL ON SCROLL

0.9s fade-up with 28px translation

HOVER LIFT

-1px translate + intensified shadow

MARQUEE

49s top / 59s bottom (constant base speed)

BLOB DRIFT

20-40s loops with mouse pointer tracking

ACCESSIBILITY

Respect prefers-reduced-motion.

Users who have requested reduced motion in their OS settings should see static content, not crippled animations. Use a @media query to drop animation-duration to 0.01ms in those cases.

THE GROUND RULES

If in doubt, default to these.

DO

Default behaviors

- ✓ Gold as the only accent.
- ✓ Navy Deep instead of black.
- ✓ Number + gold bar + title.
- ✓ Cormorant italic for emotion.
- ✓ UPPERCASE tight tracking.
- ✓ Generous section padding.
- ✓ 999px border-radius pills.
- ✓ Premium ease-out curve.
- ✓ Brand-tinted shadows only.
- ✓ Alternate ivory / paper.

DON'T

Brand-breaking moves

- ✗ Pure black (#000).
- ✗ Emojis in production UI.
- ✗ Purple on non-phone CTAs.
- ✗ Wine outside warranty sections.
- ✗ `rgba(0,0,0,X)` for shadows.
- ✗ Generic ease-in-out animations.
- ✗ Stacking cream sections together.
- ✗ Multiple accents on one card.
- ✗ Skipping the gold bar on numbers.
- ✗ line-height: 1 on display caps.
